Welcome to Siddhinath Mahavidyalaya

Siddhinath Mahavidyalaya, S.S.Patna, Panskura, Purba Medinipur situated in a remote rural area conterminous with the juncture of the three police stations- namely Panskura, Debra, and Daspur in the peculiar territorial contiguousness of two districts- namely Purba Medinipur and Paschim Medinipur is now the rays of hope to eradicate the darkness of knowledge among those students who have hidden desire for higher education but fail to fulfill because of their some burning issues. This College truly bears the famous dictum- "Difficulties in your life do not come to destroy you, but to help you realise your hidden potential and power, let difficulties know that you too are difficult."

The glorious history of setting up this college glitters like a diamond that reflects the dedication, sacrifice and unconditional love for the soil by some eminent interested persons. Siddhinath Mahavidyalaya, the dream child of an educationist and Headmaster of a local high school Sri Nirmal Chandra Maity, the 'Founder President' of the college, wanted to start an educational institution for higher studies, especially for the girls who had to discontinue their education after completion of their school studies as there was no college in the minority-dominated, tribal-based and economic backward remote and rural areas. He started the college with a handful of boys and girls, practically begging from door to door for the female students. In this way the dream comes true when a college named 'Siddhinath Mahavidyalaya', affiliated to 'Vidyasagar University' by the efficient, sincere and sustained effort of this great soul and spontaneous bounty of land donor Rabi nath Mahanta ji, who donated land for setting up the college. Above all, the role of 'S.S. Patna Educational and Charitable Trust' for establishment of this glorious institution can never be measured or calculated. Truly this college could not have come into existence without the pioneering efforts, financial assistance, providing lands and direct supervision to evolve beautifully.

Welcome to Siddhinath Mahavidyalaya. The aim of the college is to provide unmatched qualitative education par excellence to develop the best that is latent in students and to encourage them to explore and revel in the joy of learning. The college faced different forms of obstacles like financial crunch, poor communication system, lack of adequate classrooms so on. Still the college is marching ahead with enviable academic and cultural position, thanks to the educational assiduousness of the pupils most of whom belong to the backward strata of the society. Our faculty members are always ready to share the weal and woe moments of the students so that they will read with smile.
